Together we strengthen the wellbeing of children, families and community

Full time Social Worker - Greymouth

30 Hours - Homebased Social Work Support

10 Hours - Social Worker in Schools Programmes

Homebuilders is a child and family support service working across the West Coast, from Karamea in the north to Hokitika in the south. We offer a range of exemplary services including Homebased Social Work Support, Respite Care, Family Counselling, Social Workers in Schools, Strengthening Families Lead Agency, Homebuilders Youth Mentoring and the Kawatiri Family Harm Prevention network. We are long established in the community and are renowned for being an employer of choice; offering true work-life balance, in a fantastic team with a caring, supportive culture.

About the Opportunity:

This rewarding role is focused around the Home Based Social Work contract (30 hours) where you will work with children and their families in their own home environment. Also included in this role is the Social Worker in Schools Programme facilitator (10 hours per week). You will work alongside many wonderful young people and their whānau as they grow and learn. This is the opportunity to leave a positive and lasting impact.

About You:

We need you to be a qualified and registered social worker (or working towards qualification and registration with the NZSWRB), have New Zealand residency or a valid New Zealand work visa and have the skills and experience as outlined in the position description.

You will be able to demonstrate how you will work with our children and families to sustain strong health, welfare and education outcomes. We already know, that as a social worker you are caring, compassionate and hard-working; you will fit perfectly in our team!

About the West Coast Region:

Live, work and play in a region that is famous for its natural attractions. Our mountains, rivers, sea and beautiful rainforests provide endless opportunities for recreational sports and fun. We have a vibrant community that offers performing arts, great restaurants, local art and craft groups, fantastic schools and a hearty community vibe.
